### 68 The Schofield Model Of 2000

BY CHARLES E. PETTY The second most recognizable revolver of the frontier is back — from S&W.

FINEST IN THE FIREARMS FIELD

**69** Purists will applaud the fact that S&W's Schofield Model of 2000 is chambered — properly — in .45 S&W, not the more popular .45 Colt.

**38** Shooters who appreciate fine sixguns and hard-working leverguns will enjoy the works of Clements Custom Guns.

**34** Hunters have a lot of ideas about bullet performance — and a lot of them are wrong. Choose your bullet based on ballistic facts.

## FEATURES

**24 The Walther PPK/S BB Pistol**  
 BY J.I. GALAN With a 15-round magazine and a working slide, this look-alike airgun is an enjoyable plinker.

**28 The Daly DDA 10-40**  
 BY J.B. WOOD This off-the-beaten-path pistol is one of the best bargains available in a defensive handgun.
